

EHV-1 Consent and Disclosure

Cottonwood Ranch is following strict bio-security procedures. All owners/riders must sign a statement that neither their horses nor themselves have been at a facility with horses exposed to EHV-1.

Horses stabled at Cottonwood Ranch will have cards located outside of their horses' stalls where riders will record their horses' temperature morning and evening.

All horses on grounds at Cottonwood Ranch are subject to having their temperature taken by the competition veterinarian, Dr. Tristen Hooks.

All participants and spectators please stay as far away from Cottonwood Ranch horses as possible.
